Scoring

Add the total number of responses for each letter (a, b, c) and record each total

a _____ b _____ c _____

Many people may have more than one learning style so you may find you have some responses in each category. The category with the greater number of responses may be your main learning style.

If the majority of your responses were **(a)**, you are a **visual learner**.

If the majority of your responses were **(b)**, you are an **auditory learner**.

If the majority of your responses were **(c)**, you are a **kinesthetic or tactile learner**.
